FAQ

How does the Scrip Tuition Reduction Program work?

By purchasing SCRIP for your everyday expenses, you are given the opportunity to earn money in the form of rebates to help assist with your annual tuition costs.

What is SCRIP

The definition of SCRIP is “A provisional certificate of money subscribed to a bank or company, entitling the holder to a formal certificate and dividends.” For JECHS, this means “A gift card that earns a rebate.”

How does SCRIP work?

Everytime you purchase a gift card through SCRIP, you earn a rebate which is paid to JECHS. The rebates from each of your purchases accumulate and are credited to your account at specific times designated by JECHS.

How much can I earn in rebates?

You have the potential to earn enough rebates to cover the cost of your remaining tuition balance for the 2024-2025 school year, depending upon your purchases. SCRIP rebates vary per retailer.

Can I order gift cards through the office? Does the office sell gift cards?

No, we do not sell gift cards in the office. Our program only supports the app and online features of the RaiseRight website.

Here's how it works:

1. Join Jim Elliot Christian's RaiseRight program and earn by buying gift cards to use as payment for your everyday expenses and by shopping online through RaiseRight.
2. Brands automatically give a percentage of every gift card or online shopping purchase back to the school.
3. Jim Elliot then shares 100% of your rebates with you to help reduce tuition costs.
